**Importance:** High

Richard:

DESC has not indicated to your client that we agree to such a request. The Company is amenable to such an extension provided that your client agrees that all other deadlines in the docket, including the testimony deadlines and the hearing date are likewise subject to the same extension.

We filed our discovery requests upon your clients in sufficient time to allow us to have their responses available to us during preparation of our testimony. That should not change.

Please let us know if you are agreeable to the same extension for all deadlines in the docket.

Matt
